Early Years Foundation Stage (EYFS)

Good Level of Development (GLD)

This is a measure of attainment at the end of the EYFS (Early Years Foundation Stage). Children are deemed to have achieved a Good Level of Development (GLD) if they have achieved at least the expected level for the ELG (Early Learning Goals) in the EYFS prime areas of learning plus specifics areas: Communication and Language, Personal, Social and Emotional Development, Physical Development, Literacy and Mathematics.

Achieving GLD serves as a benchmark for school readiness and smooth transition into Year 1.

This table shows the percentage of children at the end of Early Years Foundation Stage (EYFS) achieving GLD in Grangewood in 2026. The Grangewood figure includes pupils with SEND.

Figures may not total 100 per cent because of rounding.

Year 2

In May we choose for our children to take part in the **optional KS1 SATs tests**. The results are used by our teaching staff to support professional end of year judgements given in the summer report, for each child in Year 2, who is accessing the KS1 National Curriculum.

This table shows the percentage of children at the end of **Key Stage 1 (KS1)** achieving the National Expected Standard level and those children judged to be working at Greater Depth in **Grangewood Independent (GIS)** in 2026.

Figures may not total 100 per cent because of rounding.
